Dear Parent/Carer,

As part of our commitment to raising attainment, we offer a number of supported study sessions during lunchtimes and after school. Students are welcome to attend these sessions to help consolidate their learning and receive support from members of staff.

Attached is a list of the supported study sessions currently on offer. If your son/daughter would like any further information, they should speak to the relevant member of staff or the Principal Teacher of the subject concerned. Please bear in mind that there may be occasions where sessions are cancelled at short notice due to staff absence.

Also enclosed with this letter is information regarding SCHOLAR, a useful online revision tool for a number of subjects.

Please contact the school if you require any further information.

Yours sincerely,

Mr C Hume
Principal Teacher of Raising Attainment
